

Student Referral Program - Terms and Conditions

What is it?

The student referral program is aimed at offering ECA's current students and alumni base a unique opportunity to become brand ambassadors, thought leaders and influencers, while encouraging other students to apply for the various colleges and learning institutions under ECA.

What does it offer?

When a student refers a friend or acquaintance to apply for any of the courses available with ECA and its partner institutions, both the referring student and referred student will receive an incentive prize amount once the referred student has enrolled in the following intake of the chosen college or partner institution, paid the required fees, joined, and completed 60 days of study.

Why do we have the referral program?

We welcome students from across the globe to come on board and get the best quality, career-oriented education. We want to encourage our students to spread the word so that like-minded individuals will join our ECA family.

What is the program duration?

The student referral program will run from 15/03/2020 to 15/03/2021

Who is eligible?

This program is open to all current students, recent graduates, interns and alumni across all ECA's colleges, programs and disciplines. Both, the referring student and the referred student, are eligible to receive an incentive as voucher or discount in fee scholarship, if they meet the requirements outlined below.

1. Referring student:
A referring student is anyone who is currently enrolled in any of the programs or courses across ECA's colleges or partner universities, and is willing to refer students to any of ECA's programs and courses that are accepting applications.
2. Referred student:
A referred student is a new or prospective applicant who has been referred by an ECA student (current student, recent graduate or alumni) and wishes to enrol in any of ECA's programs and courses that are accepting applications.

What conditions apply?

- This program is valid only for students who are currently studying, have previously studied or are newly enrolled in any of ECA's colleges and partner institutions that are accepting applications
- The referral will only be considered once the new student has registered and paid in full for the first instalment
- This program is valid for students across all disciplines, courses and programs running within ECA's colleges and partner institutions
- This program is non-transferable and cannot be used in conjunction with any other student engagement program running within ECA or ECA's partner institutions
- The incentive will be available to both parties once the referred student has enrolled in the following intake of the chosen college or partner institution, paid the required fees, joined, and completed 60 days of study
- The incentive from the program is subject to change anytime during program's duration based on ECA's discretion. ECA's decision will be final.
- If at any point ECA Group feels there has been tampering, colluding or misuse of the referral program, ECA has the right to disqualify the referrals in question
- The new student can be referred only once. However, there is no limit to the number of new students that a continuing student can refer.
- In the event the referred student has already submitted an application with one of the colleges or partner universities of ECA Group, the referral will be disqualified.
- In the event the referred student has started an application, the referral will still be considered. The referred student will need to complete their existing application after the referral has been made to be considered.

- The referring student agrees that at no time in the future he/she will dispute the acknowledgment of the terms and conditions
- If the current student is a sibling, he/she cannot claim the referral amount or discount.
- The referring student cannot have any remaining outstanding balance with ECA's colleges or its partner institutions
- The offer on the referral program is non-transferable and cannot be used for any other purpose.

What is the referral process?

1. If you are the referring student within ECA or ECA's partner institutions, you may fill out all details of your referral as outlined in the form and submit
2. Once the form has been submitted, both referring student and referred student will receive an acknowledgement email confirming the status of their referral
3. The incentive payout will be made to both the referring student and the referred student, once the once the referred student has enrolled in the following intake of the chosen college or partner institution, paid the required fees, joined, and completed 60 days of study.

What is the incentive amount?

The incentive payout is different for students enrolled in ECA's different partner institutions. Please see table below of institutions involved in the program at this stage:
