Swinburne Sydney international scholarships

Excited about moving to Australia to study? We're just as thrilled to welcome you. We've missed the vibrant contribution that international students make to our campus, culture and community. That's why we have scholarships just for international students. If you're awarded one, you can focus less on finances, and more on learning and experiencing all that Swinburne and life in Sydney has to offer.

When you apply for a Swinburne course, we also automatically consider you for an international scholarship. We'll advise you of your course application, and scholarship success by email.
